Founded in 1936 • Your Dependable Source of Supply

Ottawa Executives' Association

OXA is an organization of business people with a sole purpose to provide each other with business leads, referrals and direct business. Over the years, some 65 – 95 businesses have been represented in OXA at any given time. Many OXA members have been part of the organization for more than 25 years, providing a strong foundation of members, with new members joining annually from a variety of different industries. OXA is the Ottawa Executives' Association. OXA is not a service club or charitable organization. This unique business organization was founded in Ottawa in 1936. We are also Founding Members of the International Executives Association, which is comprised of 85-95 Executives Associations around the world.

This Membership Roster

Supporting one another through leads and business referrals is key to the success of the Ottawa Executives' Association. We encourage our members to pass this roster to colleagues & family members. In some member establishments (particularly retail outlets & restaurants), members have OXA Patron Cards. Be sure to request an OXA Patron Card when patronizing these establishments.

OXA Mission Statement

To facilitate and promote the exchange of referrals, leads and direct business between members.
